## Commissioner for Patents

Regarding applicants request for clarification of the previous office action, the following information is provided:

The rejection of claims 63-69 should not have been listed as rejected under 112 first and second paragraph, and the rejection of those claims under first and second paragraph is hereby withdrawn.

Additionally, the means for generating, if amended to read something such as "means for generating functions so as to work with the means for applying to generate the switching signals in such a way that a)...b)...c)," would bring into the means plus function language the portions of the specification such as within the text between paragraphs 41-51 of the specification that includes the generation of the driving signals and application to the transistors /switching devices to give the behavior specified in the function.

The period of response of three months set in the previous office is reset to run from the date of this letter.
